THE PRESBYTERIAN PROCLAIMER

April 2023

A Word From Our Pastor...

"April showers bring May flowers" is a saying that works only in certain areas and only for certain plants. However, during the end of Lent/Easter season, the only stability that humanity can find, the only solid rock, sure foundation, is found only in Jesus Christ. The thief on the cross saw the Light of Christ. He never attended church, never had a salvation, Roman road discussion, never had a Christian theological debate, surely never graced a church's doorway, yet the Solid Rock told him "...today you will be with me in Paradise." The Apostle Paul was a trained theologian, a Pharisee, a politician, a dyed in the wool Jewish leader, and yet he met Jesus on the Damascus trail, and the Solid Rock became his very life. Proverbs 10 teaches, in part, that if we hide hatred in our hearts, we are fools and if we speak ill of those around us to stir strife as if it was a pleasure, we are glad to wallow in it. When we forget Lent and why we celebrate it, we turn away from the suffering of the Lord who willingly died for us. In doing so, we become foolish, arrogant, and often backbiting. Let us not be like an April shower that comes to bring a smile but is very quickly gone to be replaced by the drying, deadly winds of craftiness, deceit, and tongue twisting. Rather, let us stand upon the Rock, Jesus Christ, who is our very Water of Life that can only be the answer to the thirsting of our souls. Easter is here! What will you do with that celebration this year? May it become a time of refreshing of the Holy Spirit within you. May you yield your life to Christ once again, so that the sure foundation of the Living Lord will be yours in greater measure.

Thank you to everyone who prayed for our son, Zachariah, and his wife Britney in the struggles they are having in this life. I have been touched by those who have asked and have offered comfort to our family. Your encouragement is a testimony of your faith in our Lord and Savior. May Jesus watch over you all. Amen, *Pastor Charley*

From the Music Stand..... (continued)

I would rather be an ignitor for my Savior than a firefighter. I would rather be one who starts that flicker of excitement for our Lord and has the courage to show it, to let others see it in my face and actions, than one whose words and actions tamp down the flicker of a growing fire for Christ.

"This little light of mine, I'm gonna let it shine!"

Easter Sunday!

In addition to gathering together to celebrate the resurrection of our Lord and Savior, we will be welcoming four families and four confirmands into our church family on this joyous day.

Come share the love!

Why, you might ask, are eggs associated with Easter?

Easter eggs are said to represent Jesus' emergence from the tomb and resurrection—the hard shell represents the sealed tomb and the cracking of the egg represents Jesus' resurrection from the dead. Early Christians abstained from eating eggs during Lent, so they were a welcome treat on Easter Sunday. Decorating eggs for Easter is a tradition that dates back to at least the 13th century. Early Christian missionaries dyed the eggs different colors to represent different aspects of the Easter story. They used yellow to represent the resurrection, blue to represent love, and red to represent the blood of Christ shed on the cross.

From the Music Stand.....

I have a question for you... What does it mean to be on fire? Has anyone described you, or you said of others, they are "on fire"? Why did you use that term? What did you see in them to bring this image to mind?

Is there a song you exercise or walk to that helps you to keep up the pace? A music selection that ignites or adds "pep to your step"? What about a hymn or sacred song that lifts your spirit, no matter what? The youth song, "Do Lord," "Do Lord, oh, do Lord, oh, do remember me" is a simple song that is a quick fix for me along with "Jesus Loves Me."

In the same vein, are you a firefighter? Are you someone that sees a spark or small flame and your first thought is to put it out? The children's song, "This Little Light of Mine," says *"This little light of mine, I'm gonna let it shine....Don't let Satan blow it out! I'm gonna let it shine."* This song is instructing our children to stand fast and be strong against those who will knock them down for following Christ.

Alicia Keys burst on the soul and pop music scene with the song "This Girl is on Fire." The lyrics say, *"Looks like a girl, but she's a flame So bright, she can burn your eyes" "She got both feet on the ground And she's burning it down."* This is someone doing what they believe in and is not going to let others put out their fire, their drive to do what they think is right.

In our worship, should we not have the desire to be "on fire" for the Lord? Should we not be excited about having others join us in our zeal for sharing our Lord with others? Church is a place where we can be excited about what the Lord has done for us. Now I do know that many of you feel we should be solemn in our worship, but false piety is not a way to worship that will get others to want what you have.

Ever been to a ball game where your team is winning and everyone is quietly cheering their team on to victory? This is not reality. Everyone is hyped up and sharing their joyous time. We should be the same in our worship and in our choral praise to our Heavenly Father.

We will observe seven stations of the cross during Holy Week, April 2-9, at various locations around the church. It is a self-guided tour prepared by our Session.
